1. Go to your professor’s Connect URL (bookmark for future reference)

2. Click “Register Now”
3. Enter your valid email address and “Submit”
4. Enter the code packaged with your textbook & click “Submit”

NOTE: If you do not have a registration code with your textbook, you can purchase access online.
5. Create your account and click “Complete my Registration”
6. **Confirmation – Click “Go to Connect Now”**

![Confirm Go to Connect Now](image-url)
You will see important info about your assignment (like due dates) on the homepage. Just click on the assignment title to start.
Tips and Tricks

• Use the “Save & Quit” button if you are unable to finish the assignment in one sitting (note that you must finish the part of the Interactive Application you’ve started before saving/ quitting).

• Remember to press “Submit Assignment” to record your results for an attempt in the gradebook.

• Contact McGraw-Hill technical support if you have any questions or issues while using Connect Management
