GUIDELINES FOR TEACHING EXCELLENCE AWARD NOMINATION

The NOBCChE Regional Conference Committee solicits your choice nomination of either a Graduate Student or Professor who has helped make your experience at the University meaningful. Your nominee must be from an underrepresented group (i.e. ethnicity, gender...etc.) in the STEM (Science, Technology, Engineering, Mathematics) fields, and have a **current** position in any one of your college's following departments: **Biochemistry, Biology Chemical Engineering, Chemistry, Mathematics, Medicinal Chemistry or Pharmacy**. In your supporting statement, please address the criteria that will guide the Award Committee's selection. Specifically, explain how the teacher demonstrates the following:

- *An ability to inspire students toward a love of learning*
- *Concern for and a sincere interest in students*
- *Mastery of the subject matter*
- *Rigorous demands for student thought*
- *Creative teaching skills*
- *An ability to impart the subject matter successfully*
- *A lasting impact on students*

Explain why the nominee deserves this award.

It is easy to know about our educators' research by reading publications; it is much more difficult to know about their teaching excellence. We therefore rely on your nominations. The recipient of this award receives recognition during the 2009 Midwest Regional Conference Award Ceremony.

**PLEASE NOMINATE QUALIFIED
EDUCATORS FOR THIS CELEBRATED
AWARD.**
