

## Getting Started with WileyPLUS

To start using **WileyPLUS** you will need to register.

For a video tutorial, go to [www.wileyplus.com/studentdoc](http://www.wileyplus.com/studentdoc) (click **For Students**, then **How to Register**).

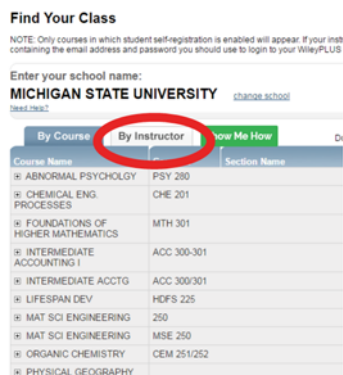

**Step 1:** Go to [www.wileyplus.com](http://www.wileyplus.com) and search for your school and course with Dr. Walker, as described below.

a) Type: 'Michigan State University' in area highlighted below

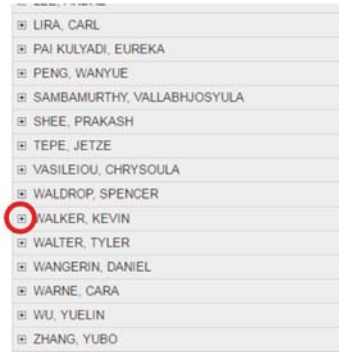

b) Select: Find

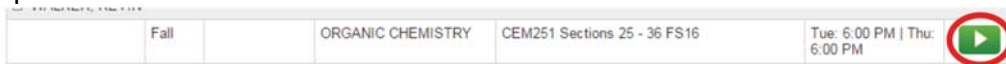

c) Select Tab: By Instructor

d) Press (+) symbol to the left of WALKER, KEVIN (only)

Then press:

**Step 2:** If you have used *WileyPLUS* before and already have an account, enter the e-mail address and password associated with your account and click **Log In**. If you do not have a *WileyPLUS* account, click **Create Account**.

--check box indicating "I agree to these terms"

**Step 3: Choose from the options presented:** WileyPlus ONLY, or add options you feel fit your budget and study needs. The Popular Choice is circled below:
