

## Chemistry Day is Saturday at center

Impression 5 Science Center is sponsoring Chemistry Day from 11 a.m. to 3:30 p.m. Saturday.

Area schools and organizations will present hands-on experiments, art activities and demonstrations.

Visitors can make chromatography butterflies and crystal stars and see liquid nitrogen demonstrations.

The event is free and will be held at the science center, 200 Museum Drive.

For information, call 485-8116.
