Event - Narrative and Nomination	
	<input type="checkbox"/> Divisional Activities Committee <input type="checkbox"/> Recognition of Innovation and Outstanding Service to Members of a Division

Event - Evaluation	
Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	8
What were the greatest successes of this event?	This was a successful event planned by the new leadership.
Lessons Learned/Suggestions to improve this event	In the future, more advance planning will be beneficial. The group was unable to raise money for this cause this year. Initially, the recruitment event was planned as a fundraiser for this event, but due to the small number of existing members was modified as a recruitment event.
Share this event as a best practice	<input type="checkbox"/>

Event - Narrative and Nomination	
	<input type="checkbox"/> Divisional Activities Committee <input type="checkbox"/> Recognition of Innovation and Outstanding Service to Members of a Division

Event - Evaluation	
Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	8
What were the greatest successes of this event?	This event brought together many people from the Chemistry department across all Chemistry disciplines.
Lessons Learned/Suggestions to improve this event	The event had a large number of graduate students. In the future, it would be beneficial to reach out to more undergraduates as well. It was not expected that many staff members would come to the event due to responsibilities at home in the evening and that will probably be true of future events as well.

Event - Evaluation	
Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	4
What were the greatest successes of this event?	A large number people were contacted at this event.
Lessons Learned/Suggestions to improve this event	Better follow-up would be beneficial. WiC had some trouble with the group e-mail account and has tried a few iterations, which has made it difficult for interested parties to find and join the group. There was not a future meeting scheduled in advance for potential members to come learn more about the group, which would have been more successful if announced during the recruitment event.

Event - Narrative and Nomination																																																		
Event Description	MSU ACS Women in Chemistry organized a necessities drive to support EVE, a local domestic violence shelter in Lansing, Michigan. Items from the EVE wish list were collected between Thanksgiving and Finals Week at MSU. Needed items were delivered to EVE on December 20, 2010 and help women and children who have been victims of domestic violence.
