Michigan State University WiC Necessities Drive Event Form 2012

Event - Overview							
Name of the Event*	WiC Necessities Drive						
Brief Description*	MSU ACS Women in Chemistry organized a necessities drive to support EVE, a local domestic violence shelter in Lansing, Michigan. Items from the EVE wish list were collected between Thanksgiving and Finals week at MSU. Needed items were delivered to EVE to help women and children who have been victims of domestic violence. This was a joint effort with the Young Chemists Committee, who conducted a food drive alongside the necessities drive.

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	10
What were the greatest successes of this event?	Many needed products were collected and supplied to EVE for victims of domestic violence just before the holidays. The shelter was particularly appreciative of the additional food collected because of significant funding cuts affecting their allotment of food from the local food pantry.
Lessons Learned/Suggestions to improve this event	The event was a great success. E-mail announcements appear to be an effective method for spreading the word. The event could potentially be even more successful if additional collection locations on campus are offered.
Share this event with other local sections and technical divisions.	<input type="checkbox"/>
