

Michigan State University YCC Seminar Panels Event Form 2012

Event - Overview							
Name of the Event*	YCC Seminar Panels						
Brief Description*	Graduate students in all divisions of chemistry are required to give a 45 minute literature seminar in their second year. The YCC provides an opportunity for students to practice giving their seminar and answering questions from a diverse audience of at least five to six YCC members. This year, three seminar panels were held, each lasting an hour and a half to two hours.						
Organization*	Michigan State University						
Year Held*	2012						
First time event?	<input type="checkbox"/>						
Primary Contact*	Cassie Phaner

Event - Narrative and Nomination

No award(s) are nominated for this event.

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	7
What were the greatest successes of this event?	The ability for students to practice with a new and diverse audience was greatly appreciated.
Lessons Learned/Suggestions to improve this event	An increase in advertising throughout the chemistry department would increase the number of students who could take advantage of this opportunity.
Share this event with other local sections and technical divisions.	<input type="checkbox"/>

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	10
What were the greatest successes of this event?	YCC members were able to relay important information to young minds about science. YCC members encouraged the students to answer and ask questions (and there were lots!). The event was very well received!
Lessons Learned/Suggestions to improve this event	The YCC hopes to reach more elementary classrooms and tailor the demonstrations to coincide with curriculum.

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	10
What were the greatest successes of this event?	The Safety Dance was, by far, the most widely enjoyed event. The playoff system for the quarter and semi finals worked very well to keep as many teams in the competition as possible.
Lessons Learned/Suggestions to improve this event	Have shorter time slots for the playoffs. Also, need to find a way to keep teams interested that are no longer competing.
Share this event with other local sections and technical divisions.	<input checked="" type="checkbox"/>

Michigan State University Chemists Celebrate Earth Day Event Form 2012

Event - Overview							
Name of the Event*	Chemists Celebrate Earth Day						
Brief Description*	For Earth Day, we participated in Chemists Celebrate Earth Day by holding an illustrated poem contest with area first graders. Although the poems weren't turned in early enough for us to participate in the national poem contest, we had winners from each classroom and an overall winner. All participants received an Earth Day activity book and sticker and winners received ACS pencils and puzzles.

Michigan State University YCC Okemos Science Day Event Form 2012

Event - Overview							
Name of the Event*	YCC Okemos Science Day						
Brief Description*	Okemos Science Day is an annual event held at Okemos high school where students ages 4-14 walk through and see/participate in events related to science including, but not limited to, chemistry, biology, zoology, and physics. The MSU YCC put on demonstrations that were hands on and answered any and all questions that the children can think of.

Michigan State University YCC Battle Royale Event Form 2012

Event - Overview							
Name of the Event*	YCC Battle Royale						
Brief Description*	An extension of the Annual Battle of the Chemistry Clubs, this was held at The Henry as a wrap up to the Central Regional Meeting of the ACS. The teams consisted of a mix of participants from different schools. We also had faculty advisors and attendees to the meeting compete as well. Also, only four events were held in the morning including a safety relay with glassware match-up, making a battery from citrus fruit, a Family Feud style quiz and chemistry beanbag toss with calculation race.

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	8
What were the greatest successes of this event?	Mixing up the teams helped with networking for the teams and made it more exciting for some. All the events turned out well.
Lessons Learned/Suggestions to improve this event	Holding the event at a hotel made it very difficult to plan events for a chemistry battle without chemicals. Also, there were a lot of people that signed up for the event that didn't show up the day of. The timing of the event (although set up in conjunction with CeRMACS) was not good timing for undergraduates since many are not around during the summer.
Share this event with other local sections and technical divisions.	<input type="checkbox"/>

Michigan State University YCC 2012 National Order of the Arrow conference Event Form 2012

Event - Overview							
Name of the Event*	YCC 2012 National Order of the Arrow conference						
Brief Description*	The 2012 National Order of the Arrow Conference was held at MSU this past year with around 10,000 Boy Scouts and leaders of all ages attending. We participated by performing liquid nitrogen demos and 'hands-on' activities including breaking chrysanthemums and racquet balls, freezing bananas for use as a hammer, and freezing marshmallows and crackers for the participants to eat. We also provided the liquid nitrogen and safety equipment for the making of liquid nitrogen ice cream.

Event - Narrative and Nomination

No award(s) are nominated for this event.

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	10
What were the greatest successes of this event?	The participants in the event (Boy Scouts) were very excited about the demos with several of them sticking around for an hour or more. They seemed to enjoy breaking the chrysanthemums and racquet balls the most, but on the hot days, they really enjoyed eating the frozen marshmallows and crackers.
Lessons Learned/Suggestions to improve this event	: More liquid nitrogen should be ordered in the future. Also, more volunteers would make it a lot easier to cover all the hours required for the event. At least 2 people are required to be at the demo table at all times.
Share this event with other local sections and technical divisions.	<input checked="" type="checkbox"/>

Michigan State University YCC Holiday Food Drive Event Form 2012

Event - Overview							
Name of the Event*	YCC Holiday Food Drive						
Brief Description*	For the month of December, the YCC holds a holiday food drive for the Mid-Michigan Food Bank. Members of the chemistry department donate food stuffs and toiletry items. The department is divided up by division in chemistry (i.e. Analytical, Inorganic, Nuclear, Organic, Physical, Staff) and donations are assigned point values. The divisions compete for the most points and the winner is announced at the Chemistry Department Holiday Party.

Event - Narrative and Nomination

No award(s) are nominated for this event.

Event - Evaluation

Evaluate the success of the program on a scale of 1-10 (1-least successful & 10-most successful)	8
What were the greatest successes of this event?	The assignment of point values focuses the type of donations towards items that are especially needed by the food bank.
Lessons Learned/Suggestions to improve this event	If the timing of the event was increased by a number of weeks, an increase in donations might be seen. Additionally, donations could be brought in around Thanksgiving as well.
Share this event with other local sections and technical divisions.	<input type="checkbox"/>
